

Prosperity Program Terms and Conditions

1 Introduction

Under Frasers Property Australia's Prosperity Loyalty Program (Prosperity), Prosperity members may be eligible for various Benefits including:

- Repeat Purchase Rewards (described in section 3);
- Referral Rewards (described in section 4);
- Family Share Offer (described in section 5);
- Priority Notification and Access (described in section 6);
- Fraser World Sapphire Membership (described in section 7); and
- certain third party offers, products, services or other benefits.

Capitalised terms used in these Terms and Conditions have the meaning set out in section 14.

If you do not understand these Terms and Conditions or have any questions, please contact our Prosperity Team at prosperity@frasersproperty.com.au or on 13 86 88 and we will be happy to help you.

2 Membership Types and Benefits

2.1 Who can become a Prosperity member?

Any individual over the age of 18, and any company, named as a purchaser under an Eligible Contract (whether purchasing solely or jointly) is eligible to become a Prosperity member.

There is no fee payable to become, or remain, a Prosperity member.

To apply to become a Prosperity member you must submit an application form in accordance with these Terms and Conditions. You will become a Prosperity member when you receive notification from us that you've been accepted as a member but some Benefits only become available once you satisfy the Purchaser Conditions in the Eligible Contract.

2.2 What is an Eligible Contract?

When you purchase a residential property in a Participating Development, the sale contract you enter into is an Eligible Contract.

Some developments by Frasers Property Australia and some types of sale contracts are excluded from Prosperity (eg, sale contracts awarded as a result of a tender) and some Participating Developments do not offer all the Prosperity benefits (eg, they may offer Priority Notification and Access and not Repeat Purchaser Rewards, Family Share Offer or Referral Rewards). For a full list of

Participating Developments and the benefits they offer click [here](#) and for further details of the exclusions, read the definition of Eligible Contract in section 14.

2.3 Prosperity membership benefits

The Benefits of Prosperity membership increase on your second and third purchases and when the Family Share Offer applies.

Here's a summary:

Contract	Benefits
1 st Eligible Contract	<ul style="list-style-type: none">• Make a Referral Reward• Priority Notification and Access• One year of Fraser World Sapphire Membership (for individual Prosperity members only)
2 nd Eligible Contract	<ul style="list-style-type: none">• 2% Repeat Purchase Reward• Make a Referral Reward• Priority Notification and Access
3 rd Eligible Contract	<ul style="list-style-type: none">• 3% Repeat Purchase Reward• Make a Referral Reward• Priority Notification and Access

Further details of each Benefit are set out in sections 3 to 7.

2.4 Additional provisions for company members and their nominees

If:

- the purchaser under an Eligible Contract is or (where there are multiple purchasers) includes a company; and
- the Family Share Offer applies (read section 5 for details) and a Referred Family Purchaser is a company,

the company's authorised representative may nominate up to two individuals to also be Prosperity members. Those individuals must be either shareholders or directors of the purchaser and must not have been nominated previously or be an existing Prosperity member.

This nomination must be made in writing to Frasers Property Australia at the time of entering into the Eligible Contract.

The company and its nominees will together form a Company Group for the purposes of Prosperity membership and any Benefit. Section 3.3 explains how Repeat Purchase Rewards are calculated for Prosperity members who are part of a Company Group.

2.5 Acceptance of Terms and Conditions

By claiming or accepting any Benefit, a Prosperity member confirms that it accepts these Terms and Conditions.

3 Repeat Purchase Reward

3.1 Overview

Prosperity members are entitled to receive a repeat purchase reward for their second (or, if the Family Share Offer applies, for their first) and then any subsequent Eligible Contracts, as set out in this section 3 (**Repeat Purchase Reward**).

3.2 Amount of repeat purchase reward

The Repeat Purchase Reward will be calculated based on the number of prior purchases by the relevant Prosperity member and the purchase price under the Eligible Contract, and whether the Family Share Offer applies, as set out below:

Number of purchases	Amount of Repeat Purchase Reward	
	If the Family Share Offer does not apply	After the Family Share Offer applies (to a Family Referrer and Referred Family Purchaser)
1 st Eligible Contract	No Repeat Purchase Reward payable	2% of the purchase price on that contract
2 nd Eligible Contract	2% of the purchase price on that contract	3% of the purchase price on that contract
3 rd and each subsequent Eligible Contract	3% of the purchase price on that contract	3% of the purchase price on that contract

We explain when the Family Share Offer applies in section 5 below.

3.3 Company Groups

Where a Prosperity member forms part of a Company Group, we take into account each Eligible Contract entered into by that Company Group to determine the amount of the Repeat Purchase Reward payable to a Prosperity member of that Company Group.

Example

The company, director 1 and director 2 form a Company Group after the company obtains Prosperity membership.

Director 1 then buys under an Eligible Contract and is entitled to a 2% repeat purchase reward on settlement.

Director 2 then buys under an Eligible Contract and is entitled to a 3% repeat purchase reward on settlement. Director 1 buys again and is also entitled to a 3% repeat purchase reward.

3.4 No Cap

There is no cap on the total amount, or number of, repeat purchase rewards that a Prosperity member may be paid.

3.5 Multiple purchasers

Where there are multiple purchasers under an Eligible Contract and more than one of those purchasers is a Prosperity member, the total repeat purchase reward payable will be the highest reward any particular Prosperity member purchaser is entitled to receive in relation to the Eligible Contract.

The total repeat purchase reward will be shared equally by all purchasers that are Prosperity members. Non-members are not entitled to receive any repeat purchase reward.

3.6 Payment of repeat purchase reward

The repeat purchase reward will be paid to the purchaser on the date of settlement of the Eligible Contract. For convenience, the repeat purchase reward may be paid by way of adjustment on settlement of the Eligible Contract.

4 Referral Reward

4.1 Overview

Prosperity members are entitled to receive a Referral Reward of \$2,000 when they introduce a new purchaser to Frasers Property Australia as set out in this section 4. That includes when a Prosperity member refers a Family Member to Frasers Property Australia as part of the Family Share Offer (read section 5 for details).

4.2 Conditions for receiving the Referral Reward

Each of the following conditions must be satisfied for a Prosperity member to be entitled to a Referral Reward:

(a) the Prosperity member who makes the referral (**Referrer**) must:

- (i) have satisfied all Purchaser Conditions in their first Eligible Contract;
 - (ii) complete the on-line Referral Form on or before the Eligible Contract is signed by the Referred Purchaser; and
 - (iii) not otherwise be excluded under section 4.6; and
- (b) the purchaser referred by the Prosperity member (**Referred Purchaser**) must:
- (i) be an individual or company;
 - (ii) must not be an existing Prosperity member; and
 - (iii) must not be already known to Frasers Property Australia as a potential purchaser, including by being previously introduced or referred to Frasers Property Australia by another party or Agent, or appearing on a Frasers Property Australia sales database;
 - (iv) on or before entering into the relevant Eligible Contract, nominate or confirm to Frasers Property Australia that the Referrer was their referrer;
 - (v) enter into an Eligible Contract for a Participating Development that offers a Referral Reward; and
- (c) satisfy the Purchaser Conditions in the Eligible Contract.

4.3 Multiple purchasers

Where there are multiple purchasers under an Eligible Contract to which the Referral Reward would otherwise apply:

- (a) at least one of the purchasers must satisfy the conditions for being a Referred Purchaser in section 4.2(b); and
- (b) all of the purchasers must satisfy the requirements in sections 4.2(b)(v) and 4.2(b)(vi).

Only one Referral Reward is payable on each Eligible Contract.

Example

Prosperity member C refers A and B to Frasers Property Australia. A and B are the named purchasers on an Eligible Contract and settle their purchase. C is paid a Referral Reward in accordance with the Referral Reward terms when A and B satisfied all their Purchaser Conditions under the contract.

B and D jointly enter into an Eligible Contract. D could, on its own, be a Referred Purchaser however because D is purchasing with B, no Referral Reward is payable.

4.4 Multiple referral rewards

There is no cap on the number, or value, of Referral Rewards that a Prosperity member may be paid for referring new purchasers to Frasers Property Australia.

But the Referral Reward is only available to the Referrer on the first Eligible Contract entered into by a given Referred Purchaser and not on any subsequent purchases by that Referred Purchaser.

4.5 Payment of Referral Reward

The Referral Reward will be paid to the Referrer promptly after the Purchaser Conditions in the Referred Purchaser's Eligible Contract being satisfied.

If the Referrer is a company, the Referral Reward will be paid to one person whom the authorised representative of the company nominates in writing to Frasers Property Australia.

4.6 Exclusions

Despite any other term or condition, no Referral Reward is payable, and the Family Share Offer does not apply, to:

- (a) an Agent or Agent's Associate, when the referral is made in relation to a property:
 - (i) for which the Agent is eligible for a sales commission or other similar payment; or
 - (ii) that forms part of a Participating Development on which the Agent is currently engaged as a selling agent; or
- (b) the current Chairperson or any Director of Frasers Property Australia.

5 Family Share Offer

5.1 Overview of Family Share Offer

- (a) the new purchaser who has been referred will be a Referred Family Purchaser and they will:
 - (i) be entitled to receive Priority Notification and Access (as explained in section 6) as soon as they have been referred (and before they enter into, and satisfy any Purchaser Conditions in, an Eligible Contract); and
 - (ii) for the purpose of determining the Repeat Purchase Rewards they are entitled to receive, otherwise be treated as if they have entered into the same number of Eligible Contracts as the Family Referrer; and
- (b) the Prosperity member who makes the referral will be a Family Referrer and for the purpose of determining the Benefits that the Family Referrer is entitled to receive, they will be treated as

if they have purchased one additional property under an Eligible Contract, on and from the date the Referred Family Purchaser becomes a Prosperity member.

- (d) if requested by Frasers Property Australia, the Family Referrer and the Referred Family Purchaser must provide certified supporting documentation (in the form required) together with a signed statutory declaration (in the form required) and give to Frasers Property Australia confirming that the Family Referrer and the Referred Family Purchaser are Family Members.

5.3 Payment

If the Family Share Offer applies, then the Referred Family Purchaser will be paid the Repeat Purchase Reward on the later of:

- (a) the date of settlement of the Referred Family Purchaser's Eligible Contract; and
- (b) if the Family Referrer has an Eligible Contract on foot that has not yet settled, promptly after the date of settlement of the Eligible Contract entered into by the Family Referrer.

For convenience, the Repeat Purchase Reward may be paid by adjustment on settlement of the Eligible Contract.

This is subject to sections 8.2 and 8.3.

5.4 Repeat referrals

A Family Referrer can make any number of referrals to different Members of their Family.

6 Priority Notification and Access

After becoming a Prosperity member or a Referred Family Purchaser, you will receive:

- (a) notification of upcoming Participating Development stage releases, as set out in the list [here](#); and
- (b) access to purchase properties in those stages,

before they are notified, or released for sale, to the general public (unless the Prosperity member or Referred Family Purchaser has unsubscribed from receiving these notifications or access).

Prosperity members and Referred Family Purchasers acknowledge that Frasers Property Australia officers and employees may receive the same priority notification benefit as Prosperity members do.

7 Fraser World Sapphire Membership

Individual Prosperity members are eligible for one year of Fraser World Sapphire Membership when they satisfy all Purchaser Conditions in their first Eligible Contract. This Benefit may be redeemed once only and the individual Prosperity member must sign up for the Fraser World Sapphire Membership in accordance with its terms and conditions.

Fraser World Sapphire Membership obtained under Pro excludes any free nights offered as part of the Fraser World Sapphire Membership privileges.

Fraser World Sapphire Membership benefits may only be redeemed in accordance with the Fraser World Sapphire Membership terms and conditions, as amended from time to time. For details of the membership benefits, which are subject to change, click [here](#).

8 Contracts that do not complete

8.1 Termination and breach of Eligible Contract – Generally

If an Eligible Contract is brought to an end before settlement for any reason or the Prosperity member breaches or defaults under an Eligible Contract, the contract will no longer be an Eligible Contract and the Prosperity member cannot rely on it for the purpose of receiving any Benefits under Prosperity.

This applies, for example, when the contract has been terminated before settlement, or when the purchaser is no longer a purchaser under the contract either through nominating or assigning to an alternative purchaser.

8.2 Termination and breach of Eligible Contract by a Family Referrer

Where the Family Share Offer applies, if:

- (a) a Family Referrer had not settled on their Eligible Contract when they referred the Referred Family Purchaser; and
- (b) that Family Referrer defaults under their Eligible Contract or the Family Member's Eligible Contract is otherwise brought to an end before settlement for any reason,

then:

- (c) the Referred Family Purchaser will not be entitled to receive the relevant Repeat Purchase Reward under this Family Share Offer; and
- (d) the Referred Family Purchaser will no longer be treated as if they have entered into the same number of Eligible Contracts as the relevant Family Referrer for the purposes of determining the Benefits that the Referred Family Purchaser is entitled to in connection with that Eligible Contract.

8.3 Termination and breach of Eligible Contract by a Referred Family Purchaser

Where the Family Share Offer applies, if a Referred Family Purchaser defaults under their Eligible Contract or the Referred Family Purchaser's Eligible Contract is otherwise brought to an end before settlement for any reason, then the Family Referrer will no longer be treated as if they have purchased an additional property under an Eligible Contract for the purposes of determining the Benefits that the Referred Family Purchaser is entitled to receive.

8.4 Nomination or assignment

The original purchaser under an Eligible Contract (and any Prosperity member seeking to rely on that contract) must notify Frasers Property Australia in writing within 10 Business Days of entering into any documentation to effect a nomination or assignment of the contract.

In the case of an approved nomination or assignment, the new purchaser may rely on the original Eligible Contract for its eligibility for Benefits, subject to the new purchaser and the original Eligible Contract complying with these Terms and Conditions.

This section 8 also applies to Company Group contracts.

9 Additional membership benefits

Frasers Property Australia may, in its discretion, notify Prosperity members from time to time of additional Benefits offered to Prosperity members by Frasers Property Australia or third parties. These may be notified by email, mail or SMS (unless the Prosperity member has unsubscribed from receiving these notifications) or notified on the Prosperity website.

Each Benefit may have specific terms and conditions applicable, including a limited period or availability for that Benefit.

Unless specified otherwise, the terms and conditions for an additional Benefit must be read subject to these Terms and Conditions (and these Terms and Conditions will prevail to the extent of any inconsistency). For details of additional Benefits offered from time to time click [here](#).
